

**CHEVRA HATZALAH EMERGENCY MEDICAL SERVICES  
(EMS) OF THE JERSEY SHORE** was established

in 2002. Our coverage area encompasses 7 Municipalities and over 10 square miles. The heart and soul of Jersey Shore Hatzalah is our dedicated membership. Today our fleet has 4 state of the art ambulances and over 45 trained and certified volunteer EMTs (Emergency Medical Technicians). Every member is fully outfitted with several thousand dollars worth of equipment including an oxygen and trauma bag, AED (automated external defibrillator) and a portable two-way radio.

We recently added two state of the art 'thumpers', which are extremely useful when encountering a patient in cardiac arrest. With our staff of professional, highly trained, and state certified volunteer emergency care providers, Hatzalah is more than just a 24-hour emergency medical service. It is an absolute, total commitment to the sanctity of life — the embodiment of the 2,000 year-old dictum that

**Whoever saves even one life, it is as if he saved an entire world.**
